

Don't forget!

- Send your camper in closed-toe shoes.
- Each camper should have their own labeled water bottle.
- Please consider bringing hats and sunglasses . We will be outside much of the day.
- Your child may bring items from home to play with (electronics, books, coloring, legos, etc.) during free times. This will help us not share items at camp.
- Curbside drop-off. Pull up to door 3 where you will be greeted by camp staff. We will give you the security receipt for your family and place a name tag on each child. The children will also have their temperature taken and be given hand sanitizer.
- Curbside pick-up. Pull up to door 3 where you will be greeted by a staff person. You will asked for the security code and your child will be called for over a walkie talkie. You may park in stall while waiting for your child to come out.

Parents and Campers:

We are so excited to kick off our 2020 summer camp. It's hard to imagine after all these months of quarantine and home schooling the time is finally here. We've got fun activities and special on-site events scheduled for our campers. It's time to see what God has in store for everyone over these next three months!

If you have questions or concerns about how your camper is doing, please contact Andrew Trader (andrewtrader89@gmail.com). He is the team leader for the Adventurers.

The Adventurer Team
