ADULTS & TEENS IN A LIFE GROUP

The goal at CCC is to get as many people in Life Groups as our average weekend auditorium attendance. In 2016, our auditorium attendance was 1,150 of our 1,507 campus attendance. Therefore, our goal for 2017 is to move towards that 1,150 people in Life Groups.

REMINDER:

Continue praying for your top 3 people who need Jesus and a Bible-teaching church.

INTERESTING FACT:

In 2016, almost half of all families that registered their children in kidcity during a weekend service became regular attendees of Christ Community Church. Since we do well with our visitors, one of the keys to our growth is simply increasing our visitor traffic.
