195-PAGE REPORT OUTLINING VITALCHURCH'S
FINDINGS & RECOMMENDATIONS

RESTORING OUR BROKEN WORLD... THROUGH THE GOSPEL OF JESUS CHRIST!

In this year of transition, the mission of Christ Community Church is as important as ever. Following on the heels of the VitalChurch Ministry report, we're seeing that part of *Restoring Our Broken World* means allowing God to first do a work of restoration in us. This does not mean we ignore the needs of those around us! As this report makes clear, lay leaders and church staff have been intentional in seeking to know Christ and to make him known. But it also abundantly clear that God is doing a work in us as He does a work through us. Ministry flows out of being, not doing.

In Luke 10:38-41, we see a picture of what God wants to do at CCC. Mary and her sister Martha are hosting Jesus. Martha is troubled, anxious, and at odds with her sister who is sitting at Jesus feet. Jesus gentle rebuke of Martha is instructive. "Martha, you are uptight about a bunch of things, only one thing is important and Mary's discovered that. It won't be taken from her!" At CCC, we want to have the heart of Mary with the hands of Martha.

All of this is journey. It's a process not an event. As we consider 2018 and look forward to 2019 we are asking one simple question, "What is the Spirit saying to our church" (Rev 2-3)? That's our goal and to that end we labor.

All for Jesus,
Dave Miles, *Interim Lead Pastor*
