AWANA events

AWANA Grand Prix night will be Wednesday night February 19th. Cars are made and raced by the T&T clubs. The gym is transformed into an amazing "race track." Families are encouraged to come watch. There will be no regular AWANA club for Cubbies, Sparks, or T&T on Grand Prix night.

AWANA Awards: Kids in T&T and Sparks Clubs have the opportunity to go at their own pace through their handbook. Therefore, kids finish their handbooks at different times throughout the year. We have several awards nights planned and parents will be notified by both an email and a mailed postcard when your child will be receiving their award so that you can make plans to attend. (Cubbies will receive their award on the last regular club night.)
