**MWF 3's Class**  
**September 2017**

Welcome to school! We are so excited to start this new school year, and learn more about you! I know that parents have lots of questions that need to be answered. We have arranged a Parent Orientation Night to fill you in on all the details. This month, we will be helping your child feel comfortable with class routines and rules plus playing friendship games to learn more about each other. Sign language is incorporated as letters and numbers are introduced. It's amazing how much they remember at the end of the year! Once in a while your child will come home with book orders. Please know that there is absolutely NO obligation to buy these books. A special Happy Birthday goes out to Abigail, Camden, and Isabella who turn 4 this month!
