

DAY 2 MORNING/MIDDAY OFFICE

Silence and Stillness before God (1-2 minutes)

Scripture Reading

Two people are better than one. When two people work together, they get more work done. If one person falls, the other person can reach out to help. But **those who are alone** when they fall **have no one** to help them. If two people sleep together, they will be warm. But **a person sleeping alone will not be warm**. An **enemy might be able to defeat one person**, but two people can stand back-to-back to defend each other. And three people are even stronger. They are like a rope that has three parts wrapped together—it is very hard to break. (Ecclesiastes 4:9-12, ERV)

Devotional

In 1984, a goofy little movie with a catchy theme song became a Box Office hit! Both the movie and its theme song were an instant hit! The theme song is still popular on classic radio today. There is a phrase from that song that still sticks in the minds of many of you. It goes like this –

Who you going to call? GHOSTBUSTERS!

When life is hard, **who you going to call?** When the ball of life doesn't bounce your way; when it rains on your parade; when the phone rings and it's bad news – whose number do you dial? Where can you go for comfort? Whose shoulder can you cry on? Who is that listening ear?

Whose cell number can you dial at 3:00 a.m. in the morning, and you know that when they see your name and your number on their cell phone – they will answer. When you tell them what's going on – you know that they will respond with something like:

"I'm on my way." "Come on over, I'll put on a fresh pot of coffee." "Yeah, it's late. But no, it's not a bother. I'll meet you in 20 minutes." "What hospital? I'll be right there!"

Questions

As the bumper sticker says so well: **Life Happens**. So, when it does – who WOULD you call?

Prayer

Thank God for those people you in have your life that you can count on.
