

# Discovering God's World September

Mrs. Holtorf & Mrs. Hareldson

## Discoveries

*"In the beginning, God created the heavens and the earth"*

~Genesis 1:1

God has given us the great gift of a curious mind to explore and enjoy the world in which we live.

This year in Discovering God's World, my desire is to bring excitement and awe for the world God created to the children through play, stories, learning experiences, experiments, and hands-on centers.

### MONTHLY THEME: The Five Senses

Week 1: Sight

Week 2: Touch & taste

Week 3: Sound & smell
