## SEPTEMBER 2018

Mrs. Holtorf & Mrs. Digmann

### September

*"In the beginning, God created the heavens and the earth" ~Genesis 1:1*

God has given us the great gift of a curious mind to explore and enjoy the world in which we live. I look forward to being a part of your child's learning experience this year. It warms my heart to see the children's excitement at seeing something for the first time or the satisfaction of mastering a skill.
