

AWANA

We are gearing up for a great year of AWANA (Approved Workers Are Not Ashamed)! AWANA is a discipleship program for kids ages 3 (by Sept 1) through 6th grade. Kids get to learn the Bible, play amazingly awesome games, experience fantastic worship, and enjoy time with friends.

Changes you need to know about!

Starting the weekend of September 9th and 10th, we will be switching to a new database and check-in system. Please read the following so that you can be well-informed of the new processes, making it easier for your family as we make this change.

Check-in:

There are two options to check in your child: you can either use your 10-digit phone number or request a key tag that can be scanned at any station. Once you see your family's name on the screen, use the touch screen to check-in your child. Your child's(rens) nametag and receipts will then print.

Pick-up:

The security pick-up tags will be alpha numerical. In Elementary, we ask that hold the security tag up to your child's nametag so that we can match them quickly. In Early Childhood, please hand us your tag and tell us the child's name and room. **YOU MUST HAVE A SECURITY RECEIPT TO PICK UP YOUR CHILD.** If you cannot find yours, we will ask you to go to the kidcity desk to get one reprinted.

Paging you in the Auditorium:

We are trying a new texting feature to reach you if your child needs you while you are in the auditorium. Please make sure your phone is near you and that it is on silent so that it does not disrupt others. If we are unable to reach you, we will default to putting the last four digits of your phone number up on the paging system in the auditorium.

Thank you
