TREASURE HUNTERS

Did someone say treasure? I'm in! This week is geared for our current 3rd-5th graders. It is a week full of friends, fun, service projects, and learning more about who we are in Christ. There is worship, large group teaching time, a theme project, workshops, service projects, and more. Kids get to explore their interests and see how they can use them for God.

Registration opens in May and spots are limited!
