Curriculum in Traditional Classes

Make sure the teachers are aware of your child's arrival. When picking up your child, please wait near the classroom door until dismissal. If you need to arrive late, or pick up early, you must ring the doorbell at door #3 and a staff member will escort your child to/from the classroom.

Supervision

All students are supervised at all times while attending Kingdom Kids. Once a child has been released to a parent or guardian, the child ceases to be the responsibility of Kingdom Kids.

Pick Up Authorization

Parents are responsible for the transportation of their own children. Only authorized adults will be permitted to pick up your child. For your child's safety, if you are not picking up your child, you must either provide a written note to the teacher or call the office to inform them of the change. You must provide the note or call even if the person picking up the child is on your authorized pick up list.

First Aid

Our staff is first aid and CPR certified. In the event of any injury or illness, trained staff will administer first aid. If staff decides it is an emergency situation, 911 will be contacted to provide emergency first aid. If necessary, the emergency medical service may transport your child to a medical facility of your choosing. A parent/guardian or emergency contact will be contacted as soon as possible. An attempt to contact your child's source of health care may also be made. Staff will not transport children. All expenses related to an emergency are the parent's responsibility.

How Will I Stay Informed?

Communication

During the month of August, parents will receive a calendar, teacher assignments, and other information. You will also be assigned to a Teacher Parent Group in "My Community". "My Community" is an online data base that Kingdom Kids uses as their primary source of communication.

Meet the Teacher Day is held prior to the first day of school and is a great opportunity for the parents and students to meet the child's teacher as well as become familiar with the classroom and other classmates.

Parent Orientation is held in September and is a mandatory meeting where the teachers provide information to parents.

There are two scheduled parent/teacher conferences during the school year. Your child's progress will be shared at that time. Parents may contact the teacher individually if they would like to set up additional conference times.

Each month a calendar of themes, goals, and field trips from your child's teacher will be available on our website. A newsletter from the school office will be emailed near the first of each month.

Teachers will post a brief weekly overview on the check-in counter for parents to review.

Please feel free to communicate with the director and your child's teacher. If you have a concern you wish to discuss, please contact the director or teacher ahead of time to schedule an appointment.

Each child is assigned a hook for a book bag and coat and a basket for their papers. If you have a note for the teacher, please put it in the teacher's basket located on the sign-in counter. We will place any important notes and papers in your child's basket.

School Closings

If school is closed due to weather, it will be announced on KTTC channel 12, KAAL channel 6, on our kkrochester.org website, and an email will be sent through My Community with the details of the closing. Please do not call the Kingdom Kids office to check on school closings. KTTC offers a text message alert service. You can sign up to receive a text message when school is closed at www.kttc.com

- If the public school cancels school all Kingdom Kids classes will be canceled.
- If the public school begins 2 hours late, Kingdom Kids morning classes will be canceled and we will start at 12:30pm.
- If the public school begins 1 hour late, Kingdom Kids morning classes will begin one hour late at 10:00am.
- If Rochester public schools are dismissed early, Kingdom Kids will be dismissed early. If school is dismissed early due to a snow emergency, it will be announced on KTTC, KAAL, kkrochester.org, and an email will be sent from My Community.

In the event of a utility failure, parents will be notified by phone and will be asked to pick up their child.

Emergency Shelter

In case of tornado, classes will be moved to a designated interior shelter area.

What is the Snack Policy?

Special Dietary Needs

If your child has special dietary needs, a written order from the child's parent or doctor must be given to the office. This order will become part of the child's file. You will need to provide snacks for your child.

Allergies

Prior to the first day of class, parents must notify Kingdom Kids, in writing, of any allergies, including food allergies for their child. This information is part of the child's permanent Kingdom Kids Preschool file. If your child has an allergy, please provide a snack that can be kept at school and used if the provided snack is an allergen. The same procedure will be used if a child develops an allergy during the school year. Allergies will be posted in each classroom that the child attends, and made available to all substitute teachers.

Each child must have an Individual Child Care Program Plan (ICCPP) for allergies on file before the first day of class. This must be updated annually or as any changes are made. Any changes made will be communicated with all staff providing care to the child. Food allergy information will be posted and available in the gym and classrooms. Each teacher will receive a copy of the child's ICCPP. In cases of Epinephrine being administered 911 must be called, and parents will be contacted immediately.

Snacks

We promote good nutrition and strive to teach each child to eat healthy foods. All snacks are provided by Kingdom Kids and comply with the Department of Human Services Nutritional Snack Standards. Each snack will include two food groups.

Water

The Minnesota Department of Human Services requires all preschools to have a safe water supply. Any safety issue regarding water quality will be conveyed through Rochester Public Utilities. Kingdom Kids has drinking water available to children throughout the hours of operation. Water is offered in a single serve cup or through drinking fountains accessible to children. Each classroom has accessibility to drinking water. A drinking fountain, for use by children, is available in the gym (indoor play area).

What should I Know About Classroom Activities and Expectations?

Toileting

Students enrolled in our 2 year old classes are not required to be toilet trained. ALL OTHER STUDENTS MUST BE FULLY TOILET TRAINED / SELF SUFFICIENT IN THIS AREA. Please be sure your child uses the bathroom BEFORE coming to class. If a child has a “wet” accident we will change the child’s clothing. If a child has a “messy” accident, the parent will be called to come and assist the child or take them home.

Clothing

Please send your child to school in comfortable and appropriate clothing. Children are encouraged to participate in all activities, including sometimes messy activities such as playing with water, playdough, etc. Please consider this when dressing your child. Children will wear a smock while they are painting.

Please send an extra change of clothes and underwear to be kept in your child’s backpack at all times. KK will label your child’s backpack with first and last name. Please label ALL pieces of removable clothing and footwear. Please have your child wear or bring boots during the winter with a pair of shoes in his/her backpack. Please do not send your child in open-toed sandals anytime during the school year. Hats/Caps are not allowed to be worn during preschool hours.

Outdoor Play

Weather permitting, we will have recess outside each day. The amount of time spent outside will depend on the weather. Children will play outside when the wind-chill factor is 15 degrees or above (30 degrees for 2 year olds and 0 degrees for full day classes’ lunch recess). Please dress your child appropriately. When the wind-chill factor is below 15 degrees the children will have recess in the gym. Please keep your child home if your child is too ill to play outside.

Field Trips

Our 3 year old and 4/5 year old students will explore and experience the world around them by taking scheduled field trips. Parents must sign the field trip consent form, which will be on the classroom check-in counter. Students will be transported by school bus. Parents are welcome to accompany us. Please see the **Volunteering** section for more information.

Pet Policy

Please inform us if your child has an allergy to animal dander. With parent supervision and teacher approval, children may bring a pet from home for show & tell. **The teacher must be notified at least**

one week in advance in order to prepare for the pet's visit and to alert parents as there may be allergy or fear issues. All visiting pets must be healthy, fully vaccinated, and under an accompanying parent's control at all times.

Sibling Policy

Throughout the year, teachers may plan special days/activities within the classroom. These are intended as a special time for you and your preschool child. To honor that important time together, we ask that siblings do not attend these events.

Rest Time Policy

Preschool children who attend KinderPrep, TTh am/pm 4 year olds, MWF am/pm 3 year olds, and Friends 'N Fun will have a rest time. Those that are not sleeping after 30 minutes, will be allowed to engage in a quiet activity. A staff member will be in constant supervision of all napping children. Children are welcome to bring blankets and/or stuffed animals from home for use during rest time.

Morning Teacher Prayer Time

Each morning, the teachers meet together to pray for the school and students. The classroom doors will be opened at 8:55 am to welcome the students for the day.

How Can Parents Get Involved?

Parent Visits

Parents are encouraged to become familiar with their child's school. Parents or guardians are welcome to visit the classroom at any time. Guests may contact their child's teacher to arrange a visit. Families are encouraged to participate in special programs held throughout the year.

Volunteering

Teachers often need someone to help with a special project, field trip, or class party. We strongly encourage parents to volunteer within the classroom. Parents may sign up to volunteer at Parent Orientation. When you are volunteering, please do not bring other children with you. Volunteers must read the volunteer handbook and sign the acknowledgement form prior to being with the children. The volunteer handbook can be found on the Kingdom Kids website: www.kkrochester.org in the resource section.

Special Events Committee

Throughout the year, there are special events for preschoolers and their families to attend, but these events take extra volunteers to make them a success. We'd love if each family helps with at least one event; Dad & Me, Mom & Me, Christmas Program, and/or the Carnival. Sign up opportunities will be available at Parent Orientation or in the office.

How Will Behavior Issues and Discipline Be Addressed?

Behavioral Changes

If there are any changes taking place in your home routine or something has occurred that may be upsetting to your child, please notify the teacher by calling the preschool, emailing your teacher or sending a note. Many times a child's behavior will change (moodiness, crying, clinging) during these times, and the teacher will be better equipped to deal with the root of the problem and help the child adjust better.

Behavior Guidance & Discipline

Kingdom Kids strives to provide a safe and happy environment for each child. Because we believe that every child has a right to physical and emotional safety, we use Second Steps and A Beka curriculum to teach social/emotional skills and character development. Teachers instruct children on appropriate classroom behavior to maintain a nurturing and safe environment where children are able to grow and thrive.

Kingdom Kids has established certain behavior standards. The teacher will correct any student who is being disruptive to the class or showing inappropriate behavior (see examples below). The teacher will:

- Verbally communicate with the child and redirect the child in order to correct the behavior.
- If the teacher's attempt to redirect the child is unsuccessful, the child will be removed from the group for a short time but will stay within the room.
 - A child will never be left unattended and will rejoin the group as soon as the behavior is under control.
 - All instances of separation will be documented and kept on file.
- If a student is separated from the group three times in one day, the teacher will notify the child's parents and complete a Parent Notification Separation Report for the student's parents and the student's file.

The following are examples of inappropriate behaviors:

1. Injury – any physical or mental or threatened injury, inflicted by a person other than by accidental means.
2. Emotional – yelling at, belittling, criticizing or bullying.
3. Inappropriate Touch – any touch or suggested touch above or under clothing that is suggestive or uncomfortable.
4. Destruction of Property – showing disrespect for equipment, games, toys and/or building.
5. Inappropriate Language – showing disrespect by talking back, swearing, name calling, or demeaning.
6. Harassment of Staff or Children – threatening behavior, disruption of class, inappropriate conduct, or failure to follow direction from a teacher.
7. Not following center rules and policies.

If any of the above behaviors are displayed, the following plan will be followed:

- The teacher will notify the parents with a written behavior report and may schedule a parent conference. Together, the parents, director and teacher will devise a plan of action to correct the misbehavior.
- If a child's misbehavior continues, or the child exhibits severely disruptive or abusive behaviors, a dismissal form will be completed and the parents will be notified. We will give one written warning, two suspensions and then dismissal. Every effort will be made to communicate with the parents to notify them of behavior changes.
- All suspension and dismissal forms will be determined and written by the Kingdom Kids director. The parent will be notified immediately. The first write up will constitute as a warning. The second write up we will ask the child to leave for the remainder of the day and if it is the end of the day the child will not be able to attend the following day. The parents and child must meet with both the director and the teacher before the child may return to Kingdom kids. There will be no reduction in tuition for the suspended days.
- Once a child has been written up and suspended twice they will be asked to leave our program permanently. Kingdom Kids reserves the right to dismiss a child at any time if we feel the circumstances warrant.

- Kingdom Kids does its best to provide a safe, fun and caring place for your child. We realize this action is severe, but we feel it is necessary to ensure a quality program for your children. If you have any questions or concerns please feel free to contact the Kingdom Kids director.

Please communicate all discipline concerns to the director.

What if My Child is Sick or Needs Medication?

Medication

It is the policy of Kingdom Kids NOT to administer any medication(s). Staff will give medication for emergency treatment only. Please administer medications before or after coming to school. If your child requires an EpiPen and/or inhaler for use in an emergency, you will need to complete a form from the office and supply the EpiPen and/or inhaler with original prescription label attached. If your child requires medication to be administered while at school, please contact the office for further information.

Illness

Please call the Kingdom Kids office if your child will not be attending class. Do not send your child to school if:

- Your child has a temperature over 100 degrees
- Your child has had a fever, vomiting, or diarrhea in the past 24 hours

If your child becomes sick at school, every effort will be made to contact you or the emergency contact person. Your child will be kept under the supervision of the office staff and away from other children until a parent can pick up the child.

A child with the following conditions or behavior is termed a sick child and must be excluded from a center not licensed to operate a sick childcare center. The license holder must exclude a child:

Parents must notify the director within 24 hours if their child has developed a contagious disease. The office will notify other parents within 24 hours of this notification.

Do I Need to Know Anything Else?

Special Needs

Parents/guardians have the responsibility to inform the preschool when their child has special medical concerns, conditions, needs or allergies so that Kingdom Kids can provide appropriate care and support. A plan to meet these needs must be in place prior to admission.

If your child has a special need and is (one or more of the following):

- Eligible for case management through the state and has an Individual Service Plan (ISP)
- Receives services through local school district & has an Individual Educational Plan (IEP)
- Determined by a licensed physician, psychiatrist, psychologist, or consulting psychologist to have a condition related to physical, social, or emotional development

Parents will be asked to share the ISP and/or IEP with us. In addition, state licensing regulations require us to develop an Individualized Child Care Plan (ICCP) with you that will assist us to meet your child's needs. This plan must be signed by the parents and your child's source of licensed healthcare and be reviewed annually to assure that necessary modifications are made to the plan of care. If the special need requires that our staff be trained to perform a new skill we will ask that you arrange for this training.

Early Childhood Special Education Referral Process

As Early Childhood Educators, Kingdom Kids teachers may notice behaviors in students that are not typical of a child their age. We work closely with the school district and refer children who would benefit from extra help. The referral process is as follows:

- Referral – written by the Kingdom Kids teacher and signed by the parent
- Parent Contact – the school district will connect with the parents to discuss the area of concern and gain background information
- Initial Paperwork – parent is asked to fill out information packet
- Meeting with Parent – a home visit is scheduled to observe child and discuss evaluation
- Evaluation appointments – Observation of the child in a natural setting (home, preschool, etc.)
- Evaluation Results Meeting – review of testing results and summary given
- IEP Meeting – for children who qualify, an IEP will be written with parent input

Research / Public relations

Parental permission must be given prior to each occasion of research, experimental procedure, or public relations activity.

Grievance Procedure

Should a situation arise that you, the parent/guardian, see as a problem or if you have a grievance, please notify your child's teacher. If the situation is not resolved to your satisfaction, please notify the director. The director will contact the parent within a timely manner of a filed grievance.

Open and ongoing communication between parents and staff is an essential part of our program and we encourage you to share your concerns with your child's teacher.

- The Kingdom Kids Director will assess whether additional staff training is needed.
- The reported event will be compared against similar past events and services utilized in the event.
- At all times the Kingdom Kids Director will protect the health/safety of the children.
- Based on the results of the internal review the Kingdom Kids Director will develop, document and implement a corrective action plan when deemed necessary.
