We have had an exciting start to the year! The children have been enthusiastic about making friends, learning and discovering new experiences. Thank you parents, for helping us make the beginning of school fun and safe for everyone!

Enjoy the beautiful fall season!

School Pictures Oct 21-25

Each class will have a group picture taken and students will receive a free group picture of each class in which they are enrolled. Families can also purchase individual portraits.

Several packages and specialty items are available. Packets will be distributed in a couple of weeks. Order envelopes with payment should be brought back to school on picture day and given to your child's teacher.

Please check your child's classroom *Newsflash* for the class' specific day and time.

Dad & Me

What a great event! Thank you to all who attended. It was a spectacular night for the dads and preschoolers, filled with games, activities, prizes, popcorn, and nachos. We want to extend a significant thank you to our Kingdom Kids mom volunteers who pitched in to help with childcare, serve food and help run games. Their hard work and friendly faces were so appreciated.

It was great to see the children making memories with their dads. We hope to see all their smiling faces again next year!

**Early Childhood
Check-In/Screening**

Early Childhood Screening is a quick and simple check of each child's growth and development.

The purpose of this screening is to identify learning or health needs your child may have in the areas of hearing, vision, growth and general development prior to starting school. Early intervention can enhance growth and development. This is not a screening to determine kindergarten readiness.

This appointment should be scheduled as soon as possible after your child's third birthday.

Rochester Public Schools offers this screening at Northrup Community Education Center to children at least 3 years of age.

**To schedule an appointment or for information, call
507.328.4004**

**PARKING
LOT**

SAFETY

Please drive slowly and follow the arrows. Do not pull through a parking space, it is safer to back out. We want to keep our children safe!

Also, please do not leave children unattended in vehicles.

If you regularly have a sleeping child in the car or too many kids to bring in with you, coordinate times with another Kingdom Kids parent to watch your kids while you come in.

Label Outdoor Clothing

Black snow pants and black boots all look very similar.

It is extremely helpful to have all outdoor clothing labeled with the child's name.

We also encourage a separate bag for snow gear.

There are some snow gear bags available in the KK office. Please let us know if you need one for your child.
