From our Director.....

It is hard to believe that it is already time to begin thinking about options for next school year. It seems like this school year has barely begun! Rochester Public and some Private schools have events coming up, of which I want to make you aware. The information is below.

The Thanksgiving holiday is also in November. As we near this time of year it is a great reminder of how wonderful God is and of the many blessings he has given us.

Have a blessed Thanksgiving,
Teresa Fox, Director
