Welcome To Our School

We are very excited to have the opportunity to get to know you and your child throughout this coming school year. In the classroom, we will investigate many different themes, explore God's word through Bible stories, and learn letters, numbers, and so much more! I will do my best to communicate with parents well and often through our Procure site. I will also add pictures to our Shutterfly site so you can keep up with all that is going on in our classroom. Even with the adjustments we need to make to keep our classrooms safe, this is going to be a great year!
