“In the beginning God created the heavens and the earth” Gen 1:1

September 2020

Welcome to a new year of Kingdom Kids Preschool. I'm looking forward to all the new friends we will make.

Each month we will have a newsletter to inform you what's coming up. It will typically contain:

- ✓ Upcoming events
- ✓ Bible Curriculum and Academic Goals
- ✓ Star of the week schedule

The “Star of the Week” is a chance for your child to share something about themselves. We will rotate through the class so everyone gets a turn. We would request that they bring in family pictures (for their star on the wall), and a favorite book to share. This is meant as a special time for your child to “SHINE”.

As questions or concerns come up throughout the year, feel free to contact us at Kingdom Kids.

In closing, I appreciate your patience as we adjust to the new schedules and friends, and look forward to what God has in store for us throughout our new year.
