

**Welcome to Preschool! We are excited to get to know you.**

Creative Adventures allows children to use their imagination and creativity to explore storytelling, drama, and music. Children will participate in puppetry, dramatic exercises, and varied music activities. This class is a wonderful introduction to a life-long enjoyment of the creative arts.

I have been at Kingdom Kids for 10 years now. I also teach the KinderChallenge Class and the Monday through Friday morning 4/5's. I am looking forward to a terrific year!

Monthly Newsflashes will be available online at the first of each month.
