

### From the Desk of Mrs. Schlotthauer:

I hope you have had a wonderful start to the New Year. We will continue to need outside play clothes. Please keep sending a separate bag that is just for winter wear. That will also help items in the back pack to stay safe and dry.

Just a reminder that Kingdom Kids teachers will ask for the ID of adults who are unknown or unrecognized by the teacher; when said adult is picking up your child from class or extra services. Adults other than a child's own parents need to be added to your child's authorization list in the KK office. It is a good idea to check that list periodically and update it as needed.

In Creative Adventures, we will be talking about stories and how to retell them. We have talked about starting with phrases like "One day" or "Once Upon a time". Then we move to "Something happened to fill in character name". In the middle of the story, we use sequence words like "First," "Next," "And then," and "Later."

We finish the story with words like, "Finally," and "Last of all."

Kids can use this technique to retell stories from books they have read by putting it into their own words.

This can also be a fun way to kill time while waiting for other things (like dinner to be done in the oven, a long car ride, a long line at the store, etc). It can be a fun way to make up stories together as a family.
