

From the Desk of Mrs. Schlotthauer:

The school year has flown by fast. The children have worked hard to learn how to be helpful, confident, and kind students who can try new things.

We have worked hard to learn about reading, numbers, and God's great world we share. We have worked on being good friends and good learners. We have learned how to pray together and how to let God know we love Him.

The children have grown so much. I feel blessed to be a part of your child's life!

Thank you for a wonderful School Year!
