

From the Desk of Mrs. Schlotthauer:

Hello! It was great to see so many families during the Carnival FunRaiser.

We have been making excellent progress learning our letters and letter sounds. We have been learning to blend letters together. We have been learning to recognize sight words. We have started reading in small groups. Reading practice homework will start coming home. Encourage your child to practice reading out loud to you while moving his/her finger along the page directly under the print. I have shared with the children that this helps to train our brains. Keep up the great work!

Just a reminder that morning classes start at 9:00. Children can arrive between 8:55 and 9:05 am. If you bring your child later than 9:05- please bring them to the office. The office staff will bring them down to the classroom. This procedure is in place for the safety of all of the children at Kingdom Kids. It also cuts down on the level of interruption to the activities that we have already started. Thank you for your help!
