

March 2020 Newsflash

Mrs. Schlotthauer's 4/5's, Room 301

From the Desk of Mrs. Schlotthauer: Happy Spring!

We have been making great progress learning our letters and letter sounds. We have been learning to blend letters together. We will continue that good work. We will start learning to recognize sight words and work on blending sounds together.

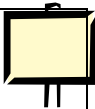

Encourage your child to practice reading out loud to you while moving his/her finger along the page directly under the print. Some children will be able to start sounding out words. Other children will need to "echo read" (repeat it back to an adult who reads it first.) I have shared with the children that using their finger under the words helps us to train our brains. Keep up the great work!

Please keep sending winter wear through March.
