February Update

- PLEASE label ALL your child's cloths and winter wear!
- On outside days' children, should come to class with boots and snow pants on.
- With our short drop-off time, should any of you have any questions or concerns please feel free to stay after class or e-mail me hthompson@kkrochester.org. This will allow us more time to talk and for you to have my undivided attention.
- If your child forgets that they are snack helper or if you have not provided either a grain, fruit or a vegetable and a drink. We ask that you bring a replacement the following week so we can replace our backup stock.
- **I will be out of the classroom on March 2nd** Mrs. Hareldson will be in the classroom that day. The kids will be in great hands! I will be accompanying my husband to Spring Training as he covers the Milwaukee Brewers that week in Arizona 😊
