I would really appreciate it if you would consider being a volunteer chaperone to our last day of school picnic at the park. Should it rain that Monday, Wednesday will be our make-up day. Please let me know if you are interested in helping. I will also be collecting the children's Cat In the Hat Binders that last week of class. Thank you all for being such a supportive and loving group of parents to me during my second year at Kingdom Kids. It has meant the world to me. I wish you and your child all the success in the world moving forward into the big 3's class.
