## Learning Corner

The first month has gone so fast and the kids seem to be starting to settle very well into our routine now. It's so fun to see each of their personalities start to shine.

Our other goals are:

## A Few Extra Notes

Now that the weather is getting cooler, please send your child to class with their coats on. Our class playground time is shortly after they arrive to school. This is a huge help for Mrs. Olson and I getting them ready to go.
