February may be a short month, but it is packed with fun! First, don't miss our Kingdom Kids FUNraiser Carnival on February 8. It's sure to be entertaining for the whole family, and all proceeds go to fund scholarships for families who cannot afford tuition. Next, we will have a little party for the students only during Valentine's week (February 13/14). Students may bring signed cards, but they should not write other students' names on them. I could use 4-5 parent volunteers to help students pass out their Valentines. On February 26/27 we will have a field trip to Quarry Hill. This month is going to fly by with all our great activities!
